Dear Murray:

Here is a copy of the transcript of Marc Edell's presentation to securities analysts at Oppenheimer & Co. on January 16th. Many of Edell's comments caught my attention.

How's your research on suing Edell coming along?

Also, isn't it possible to use Edell's concessions in his statements to analysts in future arguments (e.g., his comments on addiction)?

Best wishes.

Sincerely,
Fred
